

YMCA-YWCA

We build strong kids,
strong families, strong communities.

Media Advisory Mentor Appreciation Event

Please be advised that the YMCA-YWCA of Northeast Avalon will be hosting its first annual **Federal Public Sector Youth Internship Program Mentor Appreciation Event** on Friday, November 26, 2010 from 12-3pm at the Guv'nor Inn on Elizabeth Avenue.

The Federal Public Sector Youth Internship Program (FPSYIP) is a youth employment program sponsored by Human Resources and Skills Development Canada and delivered in partnership with YMCAs across Canada. The FPSYIP gives public servants the opportunity to mentor a young person and help them gain experience and skills they will need to be successful in their career aspirations.

The YMCA-YWCA of Northeast Avalon Mentor Appreciation Event will formally recognize federal employees who have volunteered as mentors with FPSYIP for their time and efforts in helping young people succeed. It will also provide information to federal employees who may be interested in mentoring a young person.

For more information about this event please contact:
