St. John's, NL - The YMCA-YWCA of Northeast Avalon would like to invite and engage you in its fourth ***Stay in Newfoundland and Labrador Job Fair*** on Wednesday, September 10 at the Remax Centre (St. John's Curling Club) from 10:00 am – 4:00 pm.

The YMCA-YWCA has been a part of life in Northeast Avalon for over 150 years, offering programs designed to build our communities and strengthen families. Our Employment and Enterprise Services deliver employment and business counselling to individuals within our communities. This year we offer the third installment of the Y Job Fair as a means to match qualified job-seekers with local employers. We have identified the need of local employers to find candidates who want to obtain gainful employment **right here in Newfoundland and Labrador.**

Job Fair 2008 is targeting the St. John's Metro area as well as other areas of Newfoundland and Labrador. Our aim is to provide employers with an opportunity to find qualified candidates to fill their current and up-coming job openings.

Companies joining us will have the opportunity to promote their products and services to job seekers in-person, with the added advantage of being able to match faces to resumes. Job seekers will take the opportunity to market themselves to potential employers and explore their employment options.
